Subject: TIMELINES, MDS call agenda
DSS:

The v3 K6 timeline is the less aggressive one we have proposed for approval. The v(2) is the 1st one, sent to MDF/Ashland about a month ago. I have modified the MDS agenda to take into account our consistent overtime on the K6 and MARL studies lately. Pls add a note to the e-mail that we will try to stick to this timed agenda and defer problematic issues that arise to a separate, issue-specific t/c between the involved parties. Thanks.
